

Blue Jacket Legacy Fund

Do you know a deserving FFA member who is in need of a jacket? Nominate that person to receive a Blue Jacket!

As the State Officer Team prepares to take off our jackets and finish our FFA journeys, we would like to give FFA members a jacket to continue their journeys in. Nominated students could be members who are super involved in your chapter, those who are unable to afford a jacket, or those experiencing any other special circumstances. We encourage advisors and alumni to nominate a member from your chapter for the opportunity to receive an FFA Jacket.

The application process is open through March 6, 2026.

We will reach out to inform you if your student was selected or not by April 6th.

We want to keep this a secret from the FFA Members until the jackets arrive and are presented to them. We are planning to present these FFA jackets at the 2026 State Convention. However, we know that some chapters are unable to attend, so attendance at the State Convention will not dictate whether or not an FFA member is selected.

Please reach out to Harley Prill or Sam Mell at hprill@wisconsinffa.org and smell@wisconsinffa.org with any questions.

Thank you,
Harley Prill and Sam Mell - Service Committee Co-Chairs
