About Me

Owen Moore

Section 9

State Vice President

Mishicot, WI

Hello, and welcome to my first newsletter! Serving as your Section 9 State Vice President has already been an incredible experience. I look forward to the year ahead and will strive to make this year organized, effective, and impactful. I am a graduate of Mishicot High School, where I developed a deep passion for FFA and agricultural advocacy.

My Supervised Agricultural Experiences (SAEs), have diversified over my time in FFA. I began with working in the Mishicot FFA Floral Business where I was able to work to fundraise for the chapter and develop skills in wedding and floral design. Then I started working at two local dairy farms where I developed a deep passion for production agriculture and the dairy industry.

FFA offered me many experiences through my 6 year journey at Mishicot, and I am grateful for the diverse spectrum of opportunities I was offered. My favorite experiences were competing in the Floriculture Career Development Event, attending the NextGen Environment and Natural Resources Conference in Salt Lake City, Utah, and competing in the Discussion Meet Leadership Development Event.

I am so excited for this year to come and cannot wait to visit your chapters!

National Proficiency Awards

Michalel Vander Kinter of Denmark wins State Agricultural Services Proficiency

Dakota Schuh of Reedsville wins State Agricultural Mechanics Repair and Maintainance - Placement Proficiency

Base Camp

Right after State Convention, the team was off to Marshfield for Base Camp. This was a great time to get to know the team, find where our strengths are and work together to become the most productive team we can be! Our national facilitator, Jill, was fantastic and allowed us to see first-hand how important facilitation is in a workshop by setting a gold standard for the team.

WAAE

The team traveled to Pewaukee for the Wisconsin Association of Agriculture Educators Professional Development Conference in Pewaukee. This was a great opportunity to network with ag teachers from across the state as well as learn some more of the behind the scenes of the Wisconsin Association of FFA and Team Ag Ed.

Checkpoint 1

And then we were back in Marshfield. Checkpoint 1 allowed the team to really begin developing what this year will look like. From workshop and speech training to creating our state theme video, this was a great time to develop an even closer team. We left Checkpoint 1 with a long list of to do's to kick off the year strong.

State Officer Summit

We flew out to Washington, D.C. to meet with other State Officers and learn a little bit more about advocacy. We were able to meet with the offices of Wisconsin Senators and Representatives to connect with them about FFA, agriculture, and agricultural education.

Wisconsin State Fair

Our main role while at State Fair was to work in the Compeer Financial Discovery Barnyard to connect the public to their food. This was a great opportunity to not only advocate for all aspects of agriculture, but also to highlight what agriculture does for the state of Wisconsin. It was great to be able to inform people about where their food comes from as many of them do not come from agricultural backgrounds

Jag Lake

The team traveled to Jag lake to wrap up our summer. We worked to get everything ready for Fall Leadership Workshop, as well as spend some quality time together as a team. This was a great time spent being productive and mixing in some fun.

American Degree Recipients

Bay Port

Riley Huth, Riddik Weber, Nadia Harrig, Julia Revall, Megan Rocheleau, Michaela Vandenack, Chloe Baranczyk, Delaney Gallagher

Brillion

Logan Schmidt

De Pere

Josie Kinnard

Denmark
