

Wisconsin FFA Foundation Check Policy

The Wisconsin FFA Foundation distributes checks to award winners of the Wisconsin FFA to individuals and chapters during different parts of the year.

Requirements:

The Wisconsin FFA Foundation requires award checks to be cashed within 90 days of receiving the check. After the 90-day window, checks will be voided by the Wisconsin FFA Foundation.

Lost Checks:

The Wisconsin FFA Foundation can reissue lost checks by the student or chapter if notified of the issue. The student or chapter will be charged a fee to reissue the check and that amount will be taken off their award amount. The fee will cover the cost of reissue of the check and mailing costs.

Incorrect Checks from the Foundation:

The Wisconsin FFA Foundation will reissue incorrect checks issued by them at no cost to the individual or chapter with sufficient evidence.
